Description

An arts and crafts-style house set in one of Wells' most popular residential areas. With a generous plot including ample parking to the front, double garage and c.110' long garden to the rear this has been a much loved family home. Viewing highly recommended.

An open porch shelters a stable door into an inner lobby and hallway with stairs to the first floor. On the left is the main reception room enjoying a double aspect and a feature fireplace with wood burning stove inset. There is a useful bay area which would form a lovely study area. This room has varnished floor boards with beautiful corning. On the opposite side of the hall is a family room with original tiled, open fireplace. At the rear of the hall there is a dining room with a feature fireplace with gas fired stove inset, fitted storage and understairs cupboard. Off one end is a conservatory area with doors to the side courtyard and also giving access to a utility room and cloakroom. Also off the dining room is a fitted kitchen with an extensive range of wall and base units including under unit lighting with a tiled floor. This room also has a lovely view over the rear garden.

On the first floor there is access to a large roof space with fitted ladder and light offering scope for a roof conversion (stpp). There are four bedrooms (with three double bedrooms having wash hand basins) and a stylish family bathroom with shower cubicle (with overhead and hand-held showers) and double ended bath in addition to a twin wash hand basin with storage. Off the bathroom is a walk-in airing cupboard with gas fired boiler and pressurised hot water tank.

Wells is the smallest city in England and offers a vibrant high street with a variety of independent shops and restaurants as well as a twice weekly market and a choice of supermarkets including Waitrose. To the front there is a tarmac driveway with hardstanding and access to a double garage with remote control shuttered doors and with power and light. There are well stocked flower beds to the front. Water tap. Outside lighting.

There is gated access to the side of the property leading to a herringbone brick courtyard with a back door into the garage.
