Location

Set in a popular village well away from any main roads and conveniently placed for access to Wells, Shepton Mallet, Glastonbury and Street. The village offers a public house and village church with a village shop available in the nearby village of Pilton. North Wootton is surrounded by beautiful countryside with many local walks on the doorstep. Wells is the smallest city in England and offers a vibrant high street with a variety of independent shops and restaurants as well as a twice weekly market and a choice of supermarkets including Waitrose. In addition there is a theatre and independent cinema. At the very heart of the city is the medieval Cathedral, Bishop's Palace and Vicars' Close (reputed to be the oldest surviving residential street in Europe). Glastonbury is immersed in mystical legend and can offer a more alternative lifestyle for those seeking it. The town centre enjoys a good range of shops, supermarkets, restaurants, cafes, public houses and health centres. Bristol and Bath lie c.22 miles to the north and north-east respectively with mainline train stations to London at Castle Cary (c.11 miles) as well as Bristol and Bath. Bristol International Airport is c.15 miles to the north-west. There are many good local schools within the area both primary and secondary including the well known private schools Millfield, Wells Cathedral and Downside.
