Directions

Description

A deceptively spacious, detached property with flexible and versatile accommodation. Originally built as a bungalow the property has more recently had two bedrooms and en suite added to the first floor. An air source heat pump central heating system and solar panels have been added to the property.

An open porch shelters the front door opening into a generous reception hall with doors leading out onto the garden. Off the hall is a good sized sitting room with feature fireplace and also overlooking the garden with a large dining kitchen with space for soft seating with plenty of space for a table and an extensive range of wall and base units. An attractive feature of this flexible space is the sun room within also looks out into the garden. Next door to the kitchen is a large utility room with fitted storage and this in turn leads through to a former double garage which has been divided into a plant room with hot water tank and charging battery for the solar panels and useful workshop beyond with power and light.

Also accessed from the hallway are three ground floor bedrooms (one with en suite shower room) and a family bathroom. On the first floor there is a principal bedroom with Juliet balcony, en suite shower room and a walk-in wardrobe and an additional double bedroom.

Location

Dulcote is a pretty hamlet just one mile from Wells. Wells is the smallest city in England and offers a vibrant high street with a variety of independent shops and restaurants as well as a twice weekly market and a choice of supermarkets including Waitrose. Amenities include a leisure centre, independent cinema and a theatre. Bristol and Bath lie c.22 miles to the north and north-east respectively with mainline train stations to London at Castle Cary (c.11 miles) as well as Bristol and Bath. Bristol International Airport is c.15 miles to the north-west. Of particular note is the variety of well-regarded schools in both the state and private sectors in Wells and the surrounding area.

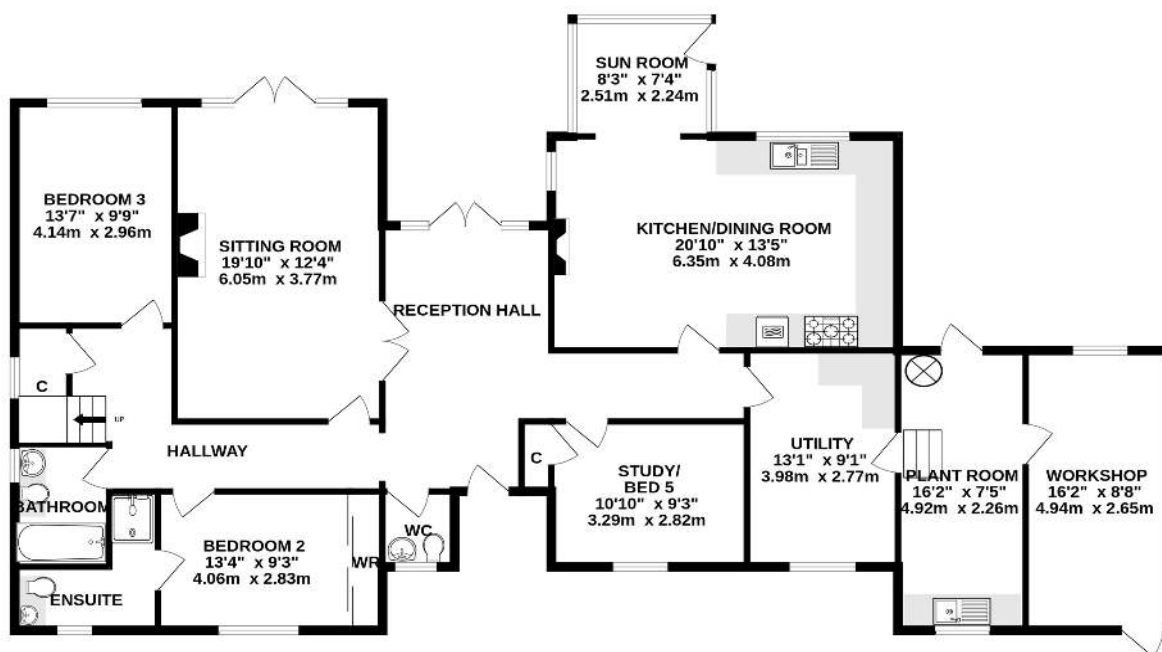

To the front of the property there is plenty of parking and a turning area including an area of lawn with a grid system to allow for the weight of vehicles. At the rear the garden there are mature flower beds and several specimen trees with an arbor. Mainly laid to lawn with a sheltered patio between the kitchen diner and the sitting room. The total, level plot extends to 125' x 105' (38m x 32m) with the rear garden enjoying a westerly aspect.
