Adjacent to the the property is a patio area and a small ornamental pond with steps leading to the lawned garden. As you walk the garden you are surrounded by many specimen trees via a winding path towards what was previously used as an art studio. This could of course be utilised into a work room or office should a buyer wish to do so. At the far end of the garden, which becomes paved, there are numerous Acers providing so much colour and is extremely well secluded from neighbouring properties.
