NOTES:

1. There was subsidence in 2016 that was caused by a tree located near property in 2016. The tree was removed and repair work undertaken to plaster (underpinning was not necessary) & repointing to brickwork. There have no problems since and a certificate of structural adequacy was sassed in August 2021.
2. The property was affected by Japanese Knotweed in 2016 and a 5 year treatment plan finished in 2021 (with a 10 year guarantee). The Knotweed was eradicated by TP Knotweed Solutions and no further evidence.
