## NORTH NEWBALD

North Newbald is a sought after unspoilt rural village at the foot of the Yorkshire Wolds, very popular with walkers being next to the Wolds Way. There are two pubs next to the village green in the centre of the village both serving food and one catering for tourists with bed and breakfast. Close by is the picturesque Norman Church which was built in 1140AD complete with the Coronation Clock commemorating the coronation of George V in 1911. The well used village hall hosts various community events and is available for hire for private events. The village also has a primary school. There is a childrens park next to the football field where they hold the annual summer gala which is always very well attended offering a pleasant day out for all the family. North Newbald is ideally located between Market Weighton and South Cave with their many amenities including supermarkets, doctors surgeries, dentists, schools and sporting facilities.
