Hescoll Cottage is a beautifully presented, renovated and extended 4 bedroom detached period home with separate 3 bedroom barn conversion (Briar Lean Barn) offered together as one lot and situated in a convenient and secluded location just walking distance to village shops, pubs, eateries and numerous village amenities.

The main house (18th century) offers an appealing blend of original character features with new additions to the rear in the form of a large open plan breakfast kitchen, adjoining orangery, sitting/garden room and first floor master bedroom suite. The

accommodation is both spacious and adaptable with two staircases (east/west wings) en suite to both master and guest bedrooms plus newly fitted family bathroom. This combination of old and new is seamlessly brought together to create a warm and inviting home that will appeal to the most discerning buyers. The rear garden is both private and sizeable with large patio area and useful original brick built outbuilding.

Briar Lea Barn shares the front courtyard driveway approach with Hescoll Cottage and is an attractive 3 bedroom, 2 reception room barn conversion with ground floor bathroom and first floor w/c, making it ideal for either dependant relative or perhaps AirBnB income opportunity. Significant interest is anticipated for this unique home and viewing appointments will be limited to buyers in strong purchasing positions only.

Farnsfield is a traditional rural village with excellent transport links to Nottingham, Southwell Newark and the A1 and M1 motorways. The property is located within a short walking distance to several eateries/cafes, pubs, hairdressers, butchers and bakery plus St Michaels primary school, village pre-school, doctors surgery and pharmacy. There is a cricket, bowls and tennis club, recreational park and beautiful countryside walks including the popular Southwell Trail nature reserve.
