A “box fresh” three bedroom, new build flat on Clinton Road. Situated on the third floor, it’s one of just seven flats in this stunning new development.

The ground floor communal reception is beautiful, but wait until you see the flat itself! This capacious property (96 square metres or over 1000 square feet) is a stunner. All the rooms are well proportioned, with an abundance of natural light – exactly what buyers are looking for. The open plan kitchen/reception room is the perfect example of this. It combines sleek fitted kitchen units, and plenty of space to both relax and dine. There is also access to the private balcony, offering fantastic views across the rooftops. The three bedrooms are all generously proportioned, with ample room for free standing storage. The principal bedroom has an en suite shower room, whilst there is also a three piece family bathroom.

The flat is brilliantly located for all things E7. The Winchelsea arches, home to many a startup business, are just around the corner, as is The Holly Tree pub. The daily commute is a doddle, thanks to the close proximity of Wanstead Park and Forest Gate stations, the latter of which is served by the Elizabeth Line.

If you’re looking for a new build flat, this might very well be the one for you. Shall we take a look?
