An attractive split-level home with plenty of living space and a garden, in a location that's close to everything.

The property combines heritage architecture, original features, a well designed renovation, and simple stylish decor. The result is a homely property full of natural light increased by the first floor elevation, and an added sense of space from the split level plan.

The kitchen is well laid out and incorporates an island with an additional space beyond the cooking area for either chilling, working or dining.

The lounge is lovely and spacious with a bay window and wooden floorboards. The bedrooms are doubles and light-filled, and there're separate spaces for storage throughout. The 3 piece bathroom is fresh and contemporary and continues the calm theme. You also have sole use of the garden which is well kept and has lots of potential, depending on how much gardening you plan to enjoy.

Scott's Road is a quiet residential street within easy walking distance of just about everything you might need. A variety of highly rated schools and nurseries, sports grounds and Coronation Gardens and near enough to walk or cycle to the beautiful green spaces of Wanstead Flats and Hollow Pond.

You're a few minutes walk from Francis Road, famous for its array of independent shops, cafes, bakeries, restaurants and pubs. Favourites include Yardarm, Marmelo Kitchen, Filly Brook, Coach & Horses and the popular Gravity Well Taproom.

And it's just a 10 minute walk or a 5 minute cycle to the Overground at Leyton Midland Road from where you can do a swift change to the Victoria Line at Blackhorse Road. The tube at Leytonstone is about 15 minutes' walk, just two stops away from Stratford for mega shopping at Westfield and beautiful Queen Elizabeth Park. Shall we take a look?
