A "fresh out of box" new build flat on Clinton Road. Situated on the first floor, it's one of just seven flats in this stunning new building.

The ground floor communal reception hints at the level of finish you will find in the flat itself, but you'll still be blown away when you walk through the entrance door. This is a property where new build practicality meets beautiful presentation and styling. The rooms are well proportioned and light - exactly what buyers are looking for. The open plan kitchen/reception room is the perfect example of this. At one end there is a cosy lounge area, and at the other a fantastic kitchen diner, which offers views out via the full height windows, as well as access to the private balcony. The bedroom is a solid double, with ample room for free standing storage, and another access point for the balcony. Finally there is the fully tiled, three piece family bathroom, with shower over the tub.

The flat is brilliantly located for all things Forest Gate. The Winchelsea arches, home to many a start up business, are just around the corner, as is The Holly Tree pub. The daily commute is a doddle, thanks to the close proximity of Wanstead Park and Forest Gate stations, the latter of which is served by the Elizabeth Line.

If you're looking for a new build flat, this might very well be the one for you. Shall we take a look?
