There is pedestrian and vehicular access from Long Street and vehicular access with allocated off street parking for 2 cars via Water Street at the rear.

THE OPPORTUNITY

DEVELOPMENT OPPORTUNITY

The property now requires modernisation but has huge potential for residential development in this sought after central location.

We understand planning has been granted for conversion of part of the first floor into 3 self contained residential flats on two separate applications.

S.24/2321/P3G | Change of use from class E offices to mixed use Class E and 2 flats (C3 use class).

Flat 1 - 1 Bed | 398 Sq Ft & Flat 2 - 1 Bed | 592 Sq Ft

S.24/2320/P3G | Change of use from class E offices to mixed use Class E and 1 flat (C3 use class).

Flat 3 - 1 Bed | 527 Sq Ft

There is scope for additional units on both the ground floor and top floor for further development subject to gaining the additional necessary consents.

COMMERCIAL USE

The property would suit continued commercial use as offices or

similar.

FAMILY HOME

The property has scope for conversion into a charming period family home with courtyard and gardens to rear plus parking.

PLANNING INFORMATION

Full details of the proposed scheme and drawings can be downloaded with the online legal pack.

LOCATION

The popular market town of Dursley provides a full range of day to day shopping, schooling and recreational facilities including supermarkets and leisure centre / swimming pool. BUYER'S PREMIUM

26 Long Street, Dursley, Gloucestershire, GL11 4JA

Please be aware all purchasers are subject to a £1500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
