THE OPPORTUNITY

BUILDING PLOT | PLANNING GRANTED

Planning permission has been granted to transform the existing steel-framed agricultural barn into an exceptional, high-end family residence. Thoughtfully designed to blend luxury with functionality, the new home will maximize the breathtaking panoramic views over the surrounding open countryside. This unique opportunity offers true country living while maintaining easy access to the cultural, leisure and commercial amenities of Bristol including easy access to major transport routes via road, rail and air. Additionally, the nearby towns of Clevedon and Portishead provide all essential day-to-day conveniences.

NB

We understand that covenants protect the land in front of the property, ensuring the preservation of the stunning views. These restrictions, as we have been informed, prohibit any structures—including garden sheds—without prior permission. Please refer to the online legal pack for further details.

PROPOSED SCHEME

Designed over two floors, this impressive residence has been meticulously planned to embrace natural light and optimise the spectacular countryside setting, whilst also catering to modern family living. One striking design feature is the bridge providing both parking and access to the main entrance of the home. This allows full advantage of the impressive glass frontage to the barn and the stunning views beyond.

The entrance level comprises three generously sized double bedrooms, including a master suite with a dressing room and en-suite, a gym (or optional fifth bedroom), and a well-appointed family bathroom.

A grand staircase leads down to the main living area, which is truly the heart of the home. The open-plan kitchen, dining, and living spaces seamlessly flow together, framed by floor-to-ceiling glass that captures the stunning west-facing views. Additional features include a fourth/fifth bedroom, a

cinema/playroom, a utility room, a pantry, a cloakroom, and a plant/store room. The lower entrance to the ground floor of the house provides easy access to the kitchen and utility areas, which is great for unloading shopping and after country walks. Externally, a spacious patio extends from the main living areas, leading to a formal garden that transitions into the surrounding farmland—offering a rare and unique blend of seclusion, space, and unparalleled views in a peaceful location.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing

period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
