THE OPPORTUNITY

FREEHOLD BLOCK OF 4 FLATS

The block has been a hugely successful residential investment for many years with each flat let on AST agreements but now offered with vacant possession upon completion.

The property now requires updating but offers huge potential for both investment and break up.

There is potential to rearrange the layout to create 2 bedroom flats or to potentially extend to the rear to increase the footprint.

Subject to gaining the necessary consents

INVESTMENT

The flats have excellent scope for investment in this sought after central location with parking and garden.

Please refer to independent rental appraisal.

BASIC UPDATING | BREAK UP

Following updating there is scope for a resale of each flat to suit both owner occupiers and investors.

Interested parties will note the flats already have individual leases in place.

The Hollis Morgan New Homes team have appraised the GDV - please refer to online legal pack.

FREEHOLD

Please note the freehold company has been dissolved due to the failure to provide annual accounts. The shareholder of the freehold company is the seller of the leasehold titles. This shareholder has instigated an application with Bona Vacantia to reinstate the company with Companies House and so legitimise that entity on the title. As this shall take several months to achieve the seller agrees to provide an Absentee Landlord indemnity policy upon completion at their expense and to continue with the application to reinstate the company at Companies House. Once reinstatement occurs, the ownership of the freehold company shall be transferred to the ownership of the buyer of the leasehold titles. Please refer to online legal pack.

LOCATION

Montpelier is located to the North-East of Central Bristol and is home to a thriving residential community as well as local businesses such as an organic supermarket. There's even a nature reserve and a Church converted into a climbing centre! There are many amenities within walking distance of the property such as the Cabot Circus shopping centre with Showcase Cinema De Lux and the rest of Bristol City centre. The M32 motorway is moments away connecting you to the M4 and M5 in all directions. Bristol Temple Meads train station is less than two miles, while Bristol International Airport to the south of the city is 12 miles.

RENTAL APPRAISAL

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It

is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
