Cirencester a n historic Roman town which became a n important centre for the wool trade in medieval times. Today it is a thriving market town. The property occupies a desirable situation. Shopping in Cirencester is highly regarded, off the main streets there are many interesting back lanes with specialist shops, particularly Black Jack Street. On the outskirts of the town are two supermarkets (Waitrose and Tesco) as well as a Hospital. Within about half an hour's drive are the towns of Cheltenham, Gloucester and Swindon. Bath, Oxford and Stratford are about an hour by car, with superb cultural and recreational facilities. Private and State schools in the area are excellent, such as Beaudesert, Deer Park, Kingshill, Prior Park, Rendcomb and Hatherop Castle. BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
