LOCAL AREA INFORMATION

Weston Favell is a village and district of Northampton somewhat absorbed by the town's expansion in recent decades. It is bisected by the A4500 with the old village to one side and the area of Westone on the other. This suburb offers a wide selection of mature properties and residents benefit from good local amenities including two public houses, primary school, secondary school, parish church, general stores and hotel. Just to the outside of the former village boundary is the recently extended Weston Favell Shopping Centre which is home to a 24 hour supermarket, several shops, fast food outlets and banking facilities all set within an architecturally interesting vaulted ceiling main atrium. Its location also provides good main road access points with both the A43 and A45 ring roads being accessible within approximately 0.5 mile and M1 J15 is only 6 miles away. Mainline train services to London Euston and Birmingham New Street can also be accessed within 4 miles at Northampton station.
