Hadley Lodge

Hadley Lodge is a delightful development of 43 one and two bedroom retirement apartments located in the suburb of Quinton. The Lodge benefits from far reaching cityscape views from the upper floors. Quinton is situated to the west of Birmingham near to the neighbouring areas of Harborne, Edgbaston and Bournville, and is within an easy travel distance of the beautiful Clent Hills nearby.

Although much of Birmingham was home to factories during the industrial revolution, Quinton managed to escape this fate. Objections from the residents of nearby Edgbaston meant Quinton kept its green trees and fields for far longer than many other parts of Birmingham, on the basis that they acted as a buffer between the industrial districts and the prosperous landed gentry in neighbouring Edgbaston. Today, although the greenery is less prominent, the lack of factories ensured Quinton was – and still is – a popular place to live.

Harborne High Street is readily accessible from the development, offering many excellent amenities including nearby restaurants and shops such as Waitrose and Marks & Spencer. Regular local bus routes lead to Birmingham city centre, where you will find a wealth of entertainment and shopping facilities in the world-renowned Bullring shopping centre.

The location of this much-needed new development is well situated for Queen Elizabeth Hospital, as well as local motorway connections for the M5, M6 and M42 interchange. Hadley Lodge is in a fantastic central location, ideal if you want to be close to the city. Local shops are in close proximity with the lodge situated just across the road from a Co-op, Post Office and a hairdresser's, while there are allotments just a few metres away – perfect for the gardening enthusiast.

Hadley Lodge's manager is on hand throughout the day to support the residents and keep the development in perfect shape. The manager assists with arranging regular events in the Owners' Lounge from coffee mornings to games afternoons.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

Hadley Lodge has been designed with safety and security at the forefront. The Apartment has an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. Careline integrated intruder alarm, secure video entry system and sophisticated fire and smoke detection systems throughout both the apartment and communal areas provide unrivalled peace of mind.

Hadley Lodge is managed by the award winning Churchill Estates Management, working closely with Churchill Living and Churchill Sales & Lettings to maintain the highest standards of maintenance and service for every lodge and owner. Hadley Lodge is heated by Ground Source Heating and is very economical.

Hadley Lodge requires at least one apartment Owner to be over the age of 60 with any second Owner over the age of 55.
