This super first-floor apartment is nestled in a particularly salubrious spot in an attractive private development on Richmond Hill, very close to Royal Richmond Park.

Featuring expansive living accommodation, in the shape of a very well-proportioned reception room, with ample space for entertaining, then a well-equipped kitchen with integrated appliances, ample food preparation areas and masses of storage space. The high ceilings and large windows add to the undoubted appeal, while residents parking is a particularly notable feature.

The Art Deco style bathroom and principal bedroom are well proportioned and a separate WC is to be found off a large hallway.

The location of this apartment lends itself to a commuter who can take advantage of Richmond station or indeed, a resident who'd like to enjoy the plethora of amenities, restaurants and leisure facilities Richmond upon Thames has to offer. Additionally, the historic towpath walks along the River Thames can be found at the bottom of The Hill and of course, the magnificent Richmond Park is just moments away, at the top of The Hill.

With porters on-site, the use of a hard tennis court for residents and so much more, this property certainly comes highly recommended.
