£500,000 Freehold

36 Riley Road, Brighton, BN2 4AH

Occupying an elevated position on a popular tree-lined road of Edwardian terraces, a substantial and generously sized five bedroom house which we understand started life as a laundry house. Requires full refurbishment but offers a great opportunity to restore the property back to its former glory. Alternatively the property could convert into three flats (subject to usual consents), as the adjoining property next door has done. The current accommodation consists of five/six bedrooms, one/two reception rooms and a family sized kitchen/dining room, plus two bathrooms, shower room and two separate WCs. There is also a useful boarded loft with Velux windows, accessed via a staircase. The property benefits from having an entire new roof and new boiler installed, both in 2022. Situated in a popular residential area close to Lewes Road, local school and shops, the property is also well-positioned for access into central Brighton and mainline station.
