NO ONWARD CHAIN - A surprisingly spacious three/four double bedroom older style semi-detached family home which enjoys a great sense of natural daylight and is favourably positioned to the lower end of Ringmer Road - handy for Lewes Road with its regular bus services and established bicycle lane. Internally, the property would benefit from some tender loving care although our vendors had a new boiler installed in 2023 along with a refitted bathroom and have taken care of external redecoration. To the ground floor you'll find a spacious dual aspect sitting room and a separate dining room which had previously been used as a fourth bedroom, alongside a good sized kitchen which connects to a conservatory and the large rear garden beyond. To the second floor there are three bedrooms and a separate bathroom and WC.
