There is a small porch area to shake off your wet coat and shoes before entering your elegant hallway with original staircase. Turn right where you will find the beautiful living room, the bay window lets in the light and together with its modern décor and cosy new carpet, this room invites you to spend time with family and friends.

Back into the hallway and through to the very stylish dining room. With patio doors overlooking the garden and unusual ceiling windows, this is again a lovely light room ideal for a dining table or second sitting room. The fitted storage cupboards are perfect for storing the family's games and toys. On warmer days, throw open the patio doors and spill out into the garden and let the children play.

Straight through to your brand-new stunning kitchen, with space for all the required appliances plus ample worktop and cupboard space. This room would work for those that like to cook and those that want to warm up a pre-cooked dinner! There is a small extension at the back of the kitchen, ideal for taking off those muddy gardening shoes and houses a handy downstairs WC.

Upstairs there are two double bedrooms plus a third single.

The principal bedroom sits at the front of the house and has a matching bay to let in the light and add character. You have ample space for your clothes and shoes in the new fitted wardrobes alongside the king size bed of your dreams.

The second double overlooks the rear garden and again has ample space for all your bedroom furniture requirements and more fitted wardrobes. Your third bedroom is a single at the front of the property, this would easily accommodate a child or a home office for those needing to work from home.

A family bathroom completes the second floor; the white three-piece suite is completed by a shower over the bath and is fully tiled. There is a loft which has been boarded with a light, ladder and the roof has been lined, all ready for your suit cases and decorations.

Outside

To the front are two car parking spaces and steps up to the front door. The landscaped rear garden has an artificial lawn for the children to play on and pleasant raised borders for those with green fingers to enjoy.
