

Second Avenue, SW14

£4,750 Per calendar month

This four bedroom Edwardian property has been renovated throughout, but still retains its character. Neutrally decorated with solid oak wood floors in the reception and the kitchen leading onto the garden, there is little to do except unpack and enjoy! Energy Rating: D.

Second Avenue is perpendicular to Mortlake High Street, close to the river Thames and Barnes Bridge station with its frequent services to Waterloo. If you enjoy good food and drink, Rick Stein, Barnes is at the end of the road.
