Outside

Situated in a beautiful rural location surrounded by farmland and field views is this beautifully presented

4-bedroom detached house sitting on approx 5 acres (STMS), offering a well thought out landscaped garden, planted with meadowland flowers providing a picturesque setting. The property also provides the opportunity for a ground floor annexe offering the aspect of multi-generational living.

There is a open fronted store/workshop area and an additional timber-built cabin currently used as an art room which is connected with power and lighting and provides a good WIFI connection.

Owned solar panels are installed to the front of the property which provides an annual [financial return](#).

There is a large driveway allowing parking for multiple vehicles which is laid to gravel with planted flower borders leading to the property. There is a pond which attracts wildlife and the occasional ducks.

On the grounds there are many planted bulbs, all hand planted by the current owner this consists of varieties such as roses, snowdrops, cosmos, cyclamen, nigella and

many more, as well as the plants there a various trees such as weeping cherry, golden wheeping willow, various apple trees, plum pear and silver birch.

The front garden and the front of the house are softly lit at night with subtle solar lights, which creates a really gentle glow.
