## PROPERTY DESCRIPTION

A rare and exciting opportunity in the heart of Southsea. This substantial historical residence, located roughly halfway between Albert Road and the seafront, presents a brilliant chance for those with a passion for restoration projects. Situated directly opposite the picturesque St Simons Church, this property boasts size and potential that is rarely found in central Southsea. Currently configured as a stylish basement apartment with three bedrooms, each accompanied by its own en-suite, and a spacious kitchen/living room, plus a unique residence above provides a canvas awaiting completion. The main and sizable property includes six-bedrooms and is need of the remaining works having already had a large amount of the first fix works carried out, offering the potential for a truly remarkable living space. Imagine the possibilities - stunning views, multiple en-suites and bathrooms, two incredible balconies, and a versatile loft space, all contributing to the creation of a very special family home. Spanning four split levels, the accommodation has already received extensive refurbishment works by its current owners including a complete re working of the layout and now offers an opportunity for someone to finish to their own taste and style. The basement apartment provides immediate living space and is ideal for living whilst any further works take place above. The property, has off-road parking at the front, providing convenience in the bustling heart of Southsea. Additionally, a garage at the rear of the vast rear garden enhances the practicality. Don't miss the chance of this exciting opportunity . For further information or to arrange an internal viewing of the home, please contact the Lawson Rose sales office today.
