The ground floor offers a beautifully extended lounge and dining area, ideal for both family living and entertaining, with doors opening directly onto the rear garden. The extended kitchen is fitted with an excellent range of wall and base units, providing ample storage and workspace, and benefits from a side door with garden access. A conveniently placed ground-floor cloakroom completes this level.

Upstairs, the first-floor landing leads to three well-proportioned bedrooms, each offering plenty of natural light, along with a family bathroom.

Externally, the property enjoys a private, enclosed rear garden. Predominantly paved for low maintenance. To the front, a generous driveway provides parking for multiple vehicles, alongside access to the garage with convenient side access to back garden through side gate.

The location is perfect for commuters, with excellent transport links by both road and rail. The mainline station offers direct services into London Euston, while major road networks provide easy access north and south. Families will also appreciate the proximity to well-regarded local schools, making this an ideal home for both growing families and professionals alike.
