A fabulous chance to purchase a delightful detached bungalow with two double bedrooms, sitting in grounds extending to over half an acre - including formal garden and paddock - and enjoying a quiet lane side position with countryside views. The property lies just over half a mile from the popular Somerset town of Wincanton, which provides excellent facilities with a range of independent shops and chain stores, doctor and dentist surgeries, schooling for all ages and a variety of entertainment venues. It is possible to walk over the fields, behind the property to the town. It is thought that the bungalow dates to the 1950s and has been a loved and enjoyed home to our sellers for the last four years. During this time it has been exceptionally well maintained and has benefitted from the floor being insulated and a new roof fitted to the conservatory as well as a new instant hot water cylinder installed in the loft. The property also benefits from wholly owned solar panels that provide an income. This wonderful home offers plenty of opportunity for further development, subject to the necessary permissions and provides an excellent foundation for a taste of the 'Good Life' and potential self sufficiency. Equally, it makes an ideal home for those seeking plenty of external space in a rural but not isolated location. A viewing is absolutely essential to appreciate this lovely home, the outside space and the possibilities on offer as well as the position.

The accommodation of the bungalow consists of useful porch to the front, welcoming entrance hall, sitting room with outlook over the rear garden and double doors opening to the P shaped conservatory. There is also the kitchen fitted with plenty of cupboards and some built in appliances, shower room and two double bedrooms. Outside, there is parking for four cars, garage with power plus formal gardens and paddock with small copse.
