The open plan living area boasts a vaulted ceiling and exposed framework that creates a feeling of spaciousness and the exposed stone walls add a bit of rustic appeal. But if you need more there is potential for an extension upwards for two more bedrooms and a bathroom, subject to planning permission.

The property is currently used as a very successful holiday let - please use the link below for more pictures and additional information.....A chance to try before you buy! However, a property of this calibre won't be on the open market for long.
