The property has easy access to open space opposite and is close to some fabulous country and riverside walks. Also, it is within easy walking distance of a local public house that serves food, doctor and dentist surgeries with a Co-op store a little further on. The town centre and mainline train station are just over a mile away

Having been a beloved home for the past 21 years, this property is now ready to welcome its new owners. It is perfect for a small family or those in need of a guest room or home office and is an excellent first home or an investment opportunity for the buy-to-let market. However, it will certainly meet many other needs.

There is a good sized sitting room and kitchen, which has enough room for a dining table and chairs and has a door that leads out to the garden. On the first floor there is the bathroom and two double bedrooms. The property offers comfortable accommodation with the scope for improvements, allowing you to put your own stamp on it and create the home of your dreams.

Outside, there is an easy to maintain garden, providing a lovely outdoor space for you to unwind or enjoy a spot of gardening. Additionally, with parking for two vehicles, you'll never have to worry about finding a place to park after a long day.

This home must be viewed to truly appreciate all that it has to offer, as well as the location, which is set off the main development, in a quiet no through road that opens to green space.
