Stonecross Road...

Hendersons introduce 7 The Mews, Stonecross Road.

This modern three bedroomed Townhouse is found in an ever popular residential location and offers accommodation spread over three floors with private parking and detached Garage.

To the ground floor off the generous entrance hall, you are greeted in to the lounge which is light and airy with feature fireplace and neutral decor giving its new owners a blank canvas. Leading on to the spacious kitchen from here, where you will find a modern 'eat in' kitchen with plenty of cupboard space and integral appliances, such as a dishwasher, washing machine, fridge/freezer, electric oven and gas hob. Underfloor heating also features.

To the first floor there are two bedrooms, one a good sized double with fitted wardrobes and bay window, again filled with natural light and another that would make a generous single/guest room or office space as utilised by the current owners. To this floor you will also find the house bathroom, fully tiled and comprising of bath with shower over, wash basin and W.C.

To the second floor there is a generous double, neutral in decoration with useful fitted wardrobes and a real plus point....amazing views out towards the sea. The en-suite here is a generous shower room with corner shower, wash basin and W.C.

Externally you will find low maintenance gardens to the front and rear, both laid to lawn. There is a detached garage with power and water supply and private parking for two cars, a rare commodity in this area.

This property would lend itself well to a multitude of purposes, such as a permanent home, investment property or second home. Close to many amenities, such as good schools, the beach and local supermarkets this property has a lot to offer.
