Hendersons introduce Meadowfield House, a four bed, detached family home located within the coast-meets-country village of Lythe. Upon entering the property from the side, the entrance hallway leads in to the front facing lounge with multi-fuel stove and the kitchen/diner that features a AGA cooker (not currently in use) with slate surround, grey shaker style cabinets and integral cooker and hob. Other amenities to the ground floor include a utility room, W.C and storage cupboard. Up the stairs are three double bedrooms and a single bedroom. The master bedroom enjoys views over countryside and out to sea as well having an ensuite shower room with WC and hand basin. There is also a house bathroom that includes a bath with overhead shower, w.c and basin.

Outside, the property sits in a good-sized plot with a pretty garden leading up to the front of the property and a large garden to the rear with patio area and decking, as well as a wooden built shelter that would make a perfect space for a hot tub. There is also a garage and a driveway that provides off street parking.

Lythe is set within the North York Moors National Park and is within walking distance to popular Sandsend. Whitby, with all the amenities it has to offer, is just a short drive away. If you are looking for a family home, further inspection is highly recommended. To arrange a viewing. call Hendersons today!
