# Key Features

---

- Detached 1920's Dormer Bungalow
- 4 Bedrooms & 2 Reception
- Garage
- Extensive Gardens up to the river beyond
- Desirable Village Location
- Masses of potential

The stunning entrance hall with original tiled floor leads you beautifully on to each generously proportioned room. In need of modernisation, the kitchen is currently towards the rear of the property and is connected to the dining room via a 'serving hatch' so could quite easily be combined to make one open space. There is a traditional pantry off the kitchen and linen store also off the Hallway. The 'principle' reception room is saturated with natural light via the bay window that overlooks the sweeping driveway and lawned gardens. Two further double bedrooms also serve this floor and in need of updating, the house bathroom is currently found to the ground floor. There are a further two bedrooms to the upper floor offering lovely views over the tree tops that encase the wonderful garden that lies beyond the property. Sat on a generous two thirds of an acre the garden really is the jewel in the crown of this property. There is a beautifully maintained large rear garden that homes several outhouses, a greenhouse and of course a path that gently meanders down to the river bank, from which you can while away the hours and watch the passing trains and wildlife go by....just perfect.

Located in a desirable village setting the area is known for its picturesque landscapes and community feel, making it an ideal choice for families or those looking to settle in a rural yet well appointed location.

With a garage and additional parking, this bungalow is practical as well as charming. The home has masses of potential for those looking to put their own stamp on it.
