Green Bank House effortlessly pairs the charm of its historic nautical roots with the comfort and refinement expected from a modern coastal retreat. Designed with relaxation in mind, it offers an idyllic base for families looking to enjoy the very best of the Bay.

Step inside and you're met with a superbly appointed kitchen featuring fully integrated appliances, including an electric AGA, fridge/freezer and dishwasher, everything you need for home-cooked meals after a day on the sand. The open-plan dining area brings the family together.

Fisherhead itself is wonderfully well served. A wander around the village reveals much-loved local pubs and small shops, venture up the hill and you'll find the village post office/newsagent/general store.

The accommodation is arranged across two double bedrooms and a charming nautical-themed twin room that children will adore. Each room is thoughtfully furnished to create a peaceful haven, complemented by three bath/shower rooms.

Green Bank House offers inviting spaces to unwind. The open-plan sitting room centres around a welcoming log burner, perfect for cooler evenings, while the front patio enjoys far-reaching sea views, a delightful spot for morning coffee or a quiet read in the fresh coastal air.

A rare opportunity to secure a fully restored, character-rich cottage in one of the most sought-after corners of Robin Hood's Bay, Green Bank House delivers coastal living at its most charming and comfortable.
