The Byford is a spacious 3 bedroom home, built by Taylor Wimpey. There is a good sized living room to the front, while to the back of the home there is a large open plan kitchen/dining area with doors opening out onto the garden making this the perfect space for entertaining. An entrance hallway, downstairs WC and useful storage cupboard completes the ground floor. Upstairs, there are two double bedrooms, a family bathroom and a third bedroom, which would also make an ideal home office.
