HOME SWEET HOME!... We particularly love how well this two bedroomed bungalow stands, boasting a well established garden to the rear, as well as a spacious driveway to the front allowing for ample off-street parking which in turn leads to the integral garage. Not only that, this home is also located in Sutton in Ashfield, close to local shops and amenities which is another reason as to why you need to view.

As you walk through the door you will first of all find the welcoming hallway which creates an immediate sense of space with built-in storage and you will be nicely lead into the two bedrooms. Both of these rooms are light and airy and offer plenty of versatility to become a snug/study space. Moving on from here you will find the remaining accommodation which comprises a spacious living room and separate open plan kitchen/diner. The living room is of a brilliant size for you to enjoy with family and friends, plus it has the added advantage of double doors to the front and a set of sliding doors leading out onto the garden, ensuring a seamless transition from outside. The kitchen is of a great size too and comes complete with a range of modern units and cabinets and there is space and plumbing for a range of appliances too.
