TOO GOOD TO SCROLL PAST!

Located in the heart of Warsop, this detached four-bedroom home welcomes you with a sense of space and calm. From the moment you step inside, the generous proportions and soft, neutral decor create an inviting atmosphere that flows through every room. Perfect for couples, families who are wanting to move straight in...

The ground floor leads you into a stunning open-plan kitchen diner, where a stylish feature island takes centre stage. It's the kind of space that makes family breakfasts and lively dinner parties equally effortless. Just off the kitchen, a handy utility keeps the practicalities neatly out of sight, while a dedicated office/study offers the ideal spot for working from home. The living room feels like a retreat, with a skylight pouring in natural light and bi-folding doors that draw your gaze straight out to the garden, blurring the line between indoors and out. A convenient WC completes this level.

Upstairs, there are four well-proportioned bedrooms, two of which benefit from their own sleek en suite bathrooms, while the others share a stylish family bathroom accessed from the landing.

Outside, the front of the property features a private driveway laid with decorative gravel, and a side gate leading to the rear. Here, a low-maintenance garden awaits, with its neat artificial lawn, inviting patio seating areas, and a charming shed that doubles as a bar—perfect for summer evenings with friends.
