Exceptional Residential Development Opportunity...

A rare and outstanding opportunity to acquire a prime seven-plot residential development site, ideally located within one of Sutton-in-Ashfield's most desirable neighborhoods.

This exceptional plot of land comes with full planning permission for a luxury development of seven exclusive detached homes. The approved planning application allows for the construction of a bespoke, high-quality residential enclave that seamlessly blends modern design with the surrounding area's established character and charm. Developers and investors will find this a unique chance to create a high-end community in a sought-after location.

The planning application has been fully approved, detailing the design and scope for detached homes that will offer modern living in a tranquil yet well-connected setting. The development provides an exciting opportunity to deliver homes that will not only enhance the local area but also offer residents a premium lifestyle.

Positioned for maximum convenience, the site boasts excellent transport links, with easy access to the A38 and M1, providing swift connections to Nottingham, Derby, and the wider Midlands region. For everyday living, the area offers a wealth of local amenities, including highly regarded schools, Kings Mill Hospital, and a host of leisure and retail options. The nearby Kings Mill Reservoir offers a picturesque setting for outdoor activities, enhancing the overall appeal of the location.

This is a rare and exceptional opportunity to secure a development site in a highly sought-after and convenient location, with full planning permission in place for a scheme of true quality and lasting value.

Gross Development Value
 Our helpful negotiators will be more than happy to discuss any potential income to be made on your purchase of this plot, with advise from our expert valuers.

Building Regulations 2010: The client shall be responsible for ensuring that this drawing does not contravene any other legislation relating to the property, the property title deeds, restrictive covenants, and easements, planning agreements, boundary agreements, and rights of way etc.

7. SITE BOUNDARIES: The position of any site boundaries shown on this drawing are approximate. The client shall be responsible for confirming the larger position of all site boundaries and shall confirm legal ownership and responsibility for all boundary walls, fences and hedges etc. It shall be the client's responsibility for agreeing all boundary issues with the adjoining land owner prior to any building works being commenced. When setting out proposed work, client / contractor to ensure that above and below ground works are contained solely within applicant land ownership.

8. MATERIALS: Where required as part of the planning approval, all external materials are to be submitted to and approved in writing by the local authority planning section prior to work commencing on site. All materials specified are to be used in strict accordance with manufacturer's guidelines and codes of practice.

9. ORDNANCE SURVEY DATA: Block, site and location plan are reproduced under license from the Ordnance Survey.

10. SERVICES: Information given on this drawing regarding the position of any services is given for your assistance and guidance only. Where the works approach the position of services it will be necessary to use locating apparatus or hand excavated trial holes to locate them.

11. DRAINAGE: Please note if any drainage below or within 3 metres of the proposed building is a public sewer, permission must be sought by way of a building over agreement from the drainage and/or authority prior to beginning work on site.

12. MEASUREMENT & DIMENSIONS: All dimensions are in millimeters unless stated otherwise.

13. PARTY WALL ACT: The client shall be responsible for discharging their duties under the Party Wall Etc. Act 1996 which requires that persons intending to carry out building work likely to affect an adjoining or nearby property or property boundary to get prior written notification to any neighbouring property owners affected.

14. CONSTRUCTION 2013: Clients must be aware of their responsibilities under CDM 2013 to the client's responsibility to appoint the Principal Designer and Principal Contractor under appropriate appointment.

15. MISCELLANEOUS: We will not consider land ownership or legal matters such as easements of light or air unless specifically requested to do so.
