SITUATION

The property is situated on the popular Calleva Park Estate, Aldermaston. The property fronts the main entrance to the park so is highly visible to passing traffic.

DESCRIPTION

This prominent property, being located at the front of the estate comprises a second-generation unit at Calleva Park constructed of brick elevations with pitched roof.

The space is arranged over ground and first floor with the ground floor including what would have been an open plan office with two WCs, kitchen and downstairs storage, and the first floor completely open plan space.

Over the years, the tenants have altered the layout with the ground floor now including two separate usable areas and the first floor comprising two separate rooms together with an open plan office area.

The property benefits from suspended ceilings, category 2 lighting and air conditioning throughout.

The building includes seven parking spaces to the front of the building and opposite. We understand more spaces can be used along the side of the building.
