## WELCOME TO BURSTOW GROVE

An intimate collection of one, two, three and four bedroom homes tucked away in a peaceful location on the edge of Horley. Here, countryside lanes connect with city links, offering a rare balance of rural calm and everyday convenience.

Each energy-efficient home has been thoughtfully designed for modern living, offering bright, airy spaces that can adapt to busy modern lifestyles. Built by an award-winning developer, these homes combine quality craftsmanship with considered exteriors that draw on the local vernacular, blending harmoniously with neighbouring homes. Generous green spaces create a welcoming setting for the whole community.

The location is just as considered. Shops and everyday services are nearby in Horley town centre, with parks, play areas and schools all within easy reach. Road and rail links are also close at hand, making weekend trips to the south coast as easy as meetings in the city. The result is a home as practical as it is peaceful.

## QUINTESSENTIAL VILLAGE LIVING

Horley is a bustling Surrey town with a welcoming community and plenty on the doorstep for day-to-day living. From Burstow Grove, the town centre is just half a mile away and offers supermarkets, independent shops, and cafés.

Horley High Street plays home to an excellent mix of daily essentials, from butchers and bakeries to well-known brands and coffee spots, while the town's leisure centre offers a gym, swimming pool and various fitness classes.

Village charm is also never far away, with the picturesque villages of Burstow and Smallfield offering a handful of shops, a post office and a choice of local pubs. Further afield, nearby Reigate and Crawley offer larger town-centre shopping and leisure, and the Surrey Hills gives fresh air and beautiful views a short drive away.

## THE BEST OF TOWN & COUNTRY

Living at Burstow Grove offers a wonderful variety of places within easy reach. To the north and west lie the rolling landscapes of the Surrey Hills, with epic viewpoints and way-marked trails for walkers and cyclists. Southbound, the A23 provides a direct route to the seaside at Brighton – ideal for spur-of-the-moment beach trips.

Horley's position between Reigate and Crawley means culture, shopping and entertainment are easy to find. Browse Redhill's Belfry Shopping Centre or head to Crawley's County Mall for a wide array of high-street favourites all under one roof. Prefer open space? Reigate's Priory Park and Crawley's Tilgate Park both offer lakeside strolls, play areas and family-friendly cafés – the latter even featuring a zoo with over 75 species.

Further afield, the British Wildlife Centre at Lingfield and the Gatwick Aviation Museum in Charlwood make great weekend trips, while National Trust gems like Nymans and Box Hill promise seasonal colour and panoramic views. Furthermore, with Gatwick Airport just up the road, international travel couldn't be easier.

### CUTTING YOUR COSTS

All of our homes adhere to the most current environmental standards, ensuring they are not only more environmentally friendly but also more cost effective to maintain. On average, owners of new-build homes spend just over £800 a year on these utilities, compared with £1,789 for owners of older properties - an annual saving of £979. In addition to this, new build properties emit 65% less carbon.

### EARLY BIRD RESERVATION

If you've found your ideal plot, the Early Bird Scheme could be the perfect way to secure your dream home. Available on selected plots, an Early Bird reservation means when we release the plot for sale, you will have the opportunity to hold the plot with Riverdale for an agreed amount of time to give you the opportunity to sell your own home and become proceedable. Once you've chosen your home, we'll provide you with a guide price (which is subject to change) and ask you to pay a refundable reservation fee. If you choose to go ahead once proceedable your Early Bird reservation will then progress to a full reservation. If you change your mind and decide not to buy, we'll refund the full amount of the reservation fee back to you. Terms & conditions apply.

# AREA MAP

It is not possible for a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery is included for guidance only. The properties may vary in terms of elevational designs and details, position and size of the car ports / materials used. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps are not drawn to scale. All internal and external photography of properties depicts previous Riverdale Developments. Other photographs are of the local area or indicative lifestyle images.
