DESCRIPTION

Sit at the end of a sweeping driveway on the edge of this picturesque village, Primrose End is essentially two bungalows within one holding that extends to approximately 3.5 acres. The accommodation is evenly spread over two comfortable and appealing single-storey dwellings. The principal dwelling includes a kitchen diner with a separate utility, a garden room, a large lounge with a log burner, three bedrooms with an ensuite, as well as a dressing room to the master.

The additional annexe includes an equally impressive kitchen diner with a spacious lounge and a generous double bedroom with a bathroom and a pantry.

OUTSIDE

The property is approached through double gates onto a private tarmac driveway that sweeps up to a turning circle with ample parking for multiple vehicles. The front garden is predominately laid to lawn with a number of features including a water feature and a fountain. A small summerhouse is located half way down the garden with an electricity supply. An entrance to the paddock land is located through a large gap in the hedge near the bottom gates.

The rear of the property is tiered. The lower patio is paved with a space for a hot tub, together with a paved terrace immediately outside of the garden room providing a splendid space for outdoor eating and entertaining. The second tier has steps leading up to a grassed area with paving slabs surrounding a heated swimming pool. There is a pagoda on one corner with another summer house in the opposite corner. Over the fence is a gravelled area with a large portal-framed outbuilding with multiple doors to both the front and gable end.

A gate leads out to a fenced paddock with an additional gate leading out to the additional grassland. The total area extends to approximately 3.5 acres.
