LOCATION

Manthorpe is a tranquil and sought-after village on the outskirts of Grantham, once home to a large number of estate and farm workers to the neighbouring Belton House, a substantial stately home now owned by the National Trust and open to the public.

Grantham is a traditional Lincolnshire market town with excellent travel connections, with London Kings Cross around 1hr journey by high speed train, and access to the A1 trunk road.

The town enjoys its own multiplex cinema and benefits from an arts centre and theatre, along with an excellent leisure centre with facilities for swimming, fitness training and racquet sports. Nearby, Belton Park Golf Club offers visitors and members 27 challenging holes together with a country club and further leisure facilities. Local residents delight in the charming selection of tea rooms, cafés, restaurants and traditional inn-keeper style pubs, typical of a vibrant market town such as this one. The shopping centre provides an intriguing mix of independent stores and family-run boutiques, alongside several major high street names and a good range of supermarkets. A designer outlet is currently being constructed and will host a range of high-end discounted labels.

SCHOOLS

Ideally located for growing and mature families, Grantham, Lincoln and Sleaford are well-regarded for the quality of their local schools, which regularly achieve some of the best academic results in the area. Both community and independent schools are available for children of all ages, with Grantham's two grammar schools, Kesteven and Grantham Girls School and The King's Grammar School, particularly in high demand, as well as a private mini-bus service from Caythorpe to Lincoln Minster School. Frieston is fortunate to also be suitably located for highly respected Sleaford schools including Carre's Grammar School, Kesteven and Sleaford High School Selective Academy and St George's Academy.
