### Description

Honey Pot Cottage is a delightful character home that has been beautifully redeveloped and further improved by the current owners. It is part of a farm development comprising a wide range of converted and new buildings all set within shared grounds of around 15 acres that afford plenty of walking opportunities as well as providing an open outlook across the North Downs and towards the village of Seal, the church is clearly visible from the cottage. The owner has improved the property with a new additional window to the rear downstairs and a new

stable door to make the most of the outlook and the garden area at the front.

The accommodation is set over two floors and extends to 884 square feet. The stone floor in the hallway invites you into the easy to maintain home and into the open plan living/dining/kitchen room that is great for entertaining, intimate dinner parties or quiet nights in. The bespoke sage green kitchen features ample base units with built-in appliances that include a Smeg oven, microware, hob fridge and freezer.

The two bedrooms on the first floor both have ensuite shower rooms, fitted wardrobes and pretty picture windows affording views. The property has double glazing and gas central heating.

Outside, it has a small front garden that is paved and has been made very pretty by the owner whilst ensuring it is easy to maintain if you are looking for a 'lock-up and leave' property. There are two allocated parking spaces and additional visitor spaces.
