Welcome to 7 Loxfield Gardens, Crowborough

A rare opportunity to shape your dream home on the edge of nature

Where Potential Meets Peace and Privacy

Tucked away on an exclusive private road, this three double-bedroom detached home is a true hidden gem — ready to be lived in today, yet offering endless possibilities for tomorrow. Built in the 1960's it's on the market for the first time and in almost original condition No.7 Loxfield Gardens combines space, sunlight, and scope for the future — all within easy reach of the station and surrounded by greenery.

Whilst you may want to redecorate, put in new carpets and replace the original 1960s kitchen the property is perfectly comfortable as it is, meaning you could move straight in and update gradually, take on a full renovation, or even explore the potential to extend (subject to permissions). For those who appreciate character details, the original parquet flooring in parts of the home could be lovingly restored as a standout feature.

The asking price reflects the opportunity at hand, giving you the chance to create your ideal home in one of Crowborough's most sought-after settings. Once updated, a property of this size and location could command a significantly higher value — making this both a home to cherish and a smart long-term investment.
