This substantial semi detached late Victorian house has been richly decorated in an opulent colour scheme and offers large and appealing family accommodation. Warmed by gas central heating and with UPVC double glazing, the house is introduced by an impressive entrance hallway. There is a large sitting room, separate dining room (which currently acts as an additional bedroom) and wonderful kitchen/breakfast room. This room has plenty of space for a large family table, an appealing free-standing design and handsome teal blue range with reclaimed copper splashbacks. There is a useful utility room with a WC. There are four bedrooms on the first floor, three of which are generous doubles, serviced by a smart family bathroom. The attic has been historically converted to a fabulous teenager's suite of rooms. There is a large double bedroom and a low doorway linking through to a further attic area with some lovely Downland views.

Side access leads to a good sized, sunny garden with a wide patio; steps up to the main lawn and a large garden building - a great home office with its own en-suite shower room. Freehold. Council tax band D. EPC D-61.
