Downers Farm Chale Street, Chale Green

Auction Guide £595,000

FOR SALE BY PUBLIC AUCTION 24/7/25

This handsome, historic period stone and brick farmhouse has been in the same family since the 1950's and is set in a popular village position within its own land. The property requires extensive upgrading throughout (although it has UPVC double glazing) meaning the house and outbuildings offer very exciting potential for any new owner. The property has two formal reception rooms; large kitchen/dining room; utility room and cloakroom on the ground floor. Upstairs are four large bedrooms, which enjoy fabulous rural views, and a bathroom. The house is set within a sizeable plot with gardens extending (we believe) to over half an acre to the rear. This area includes a well tended lawn leading to a further large grassed area which could be incorporated into the paddock. The plot slopes gently up and backs onto open farmland enjoying some fabulous, far-reaching views. A paddock sits to one side extending, the seller informs us, to over 1.8 acres. Various useful outbuildings neighbour the house including a superb attached period barn - prime for conversion into further living accommodation*. There is also a static caravan (in poor condition); two further large barns/workshops and various sheds. FREEHOLD. COUNCIL TAX BAND - E EPC G-7.
