This beautiful piece of agricultural land measures around 6.8 acres. Set in an Area of Outstanding Natural Beauty, it has been organically managed over the last eighteen years (not certified) and is now full of a colourful array of meadow plants and teeming with wildlife. It is currently used to graze sheep over the winter and to take haylage from in the summer. Accessed from Shiny Bricks Lane, the land slopes down to Appleford Lane and enjoys breathtaking views of the surrounding countryside and downland. It is positioned in a quiet rural setting with excellent riding around. Our sellers believe there to be water in the Shiny Bricks Lane hedge, but any potential purchaser must make their own investigations. Freehold.

VIEWINGS STRICTLY BY APPOINTMENT WITH, AND ACCOMPANIED BY AGENT PLEASE.
