Tonbridge is a busy, historic and popular town with the infamous Tonbridge Castle marking the centre of which the adjoining castle grounds blend into Tonbridge Park, which features a range of facilities such as indoor and outdoor swimming pools, tennis courts, children's play areas, a miniature railway, and putting greens.

The town centre offers a diverse mix of retail and leisure options, including popular High Street stores, numerous banks and building societies, and a variety of coffee shops and restaurants. The mainline station provides swift commuter services to London (Cannon Street, London Bridge, and Charing Cross in about 40 minutes), and the town benefits from excellent road connections to the M20 and M25 motorways via the nearby A26 and A21.

Educational opportunities in Tonbridge are abundant, ranging from nursery schools to colleges, and include prestigious institutions such as the renowned Tonbridge School.
