Situated in the charming village of Speldhurst, this beautifully presented five-bedroom detached home offers expansive and versatile accommodation across three floors—perfect for growing families or those seeking flexible living space.

Located in a private gated close, the property offers excellent security and exclusivity. It is set back behind a generous driveway that provides ample parking for multiple vehicles, along with a large double garage offering additional storage. Inside, the spacious and inviting entrance hall leads to the main living areas, with handy storage tucked beneath the stairs. To the right, the stylish living room offers a refined space to relax or entertain, complete with a large front-facing window that fills the room with natural light. A feature log-burner adds charm and warmth, creating a cosy yet elegant atmosphere year-round. On the left, a good-sized study provides an ideal home office or a potential sixth bedroom.

A ground floor WC is conveniently located just off the hallway.

To the rear, the heart of the home unfolds in a stunning open-plan kitchen, living and dining area that spans the full width of the house. The kitchen is equipped with a central island, ample cupboard and worktop space, integrated appliances, and full-height storage. A separate utility room provides additional functionality. The living and dining areas are flooded with natural light from French doors, which open onto a generous rear patio—perfect for seamless indoor-outdoor living and entertaining.

Upstairs, the first floor hosts a luxurious principal bedroom suite, featuring a Juliet balcony overlooking the garden, a walk-through dressing area, and a beautifully appointed en suite with dual basins, freestanding bath, and a separate shower. Two further double bedrooms each benefit from their own en suite shower rooms, while an additional room offers flexibility as a nursery, dressing room, or study.

On the top floor, two generously sized double bedrooms enjoy large Velux windows that fill the space with natural light. Each bedroom has its own modern en suite shower room, making this level ideal for guests, teenagers, or extended family looking for privacy and comfort.

To the rear, the garden is a peaceful and private retreat—thoughtfully landscaped with a spacious patio for alfresco dining and a well-kept lawn bordered by mature planting. The garden also enjoys far-reaching views of surrounding countryside and forests, creating a truly tranquil setting. A charming summer house provides additional versatile space—ideal as a home office, art studio, or hobby room.
