At the rear of the property, you'll find a newly fitted kitchen-diner, perfect for modern family living. It offers sleek cabinetry, contemporary appliances, a breakfast bar, and plenty of space for dining. This room also benefits from generous under-stair storage and leads to a rear porch with a convenient WC and access to the rear garden.

Upstairs, the main bedroom is positioned to the left, with a large window allowing light to flood in and newly fitted carpets enhancing the space. A hallway from this room leads to the recently renovated bathroom, which features modern tiling, a shower over bath, floating basin, and WC.

The second bedroom, located to the right of the stairs, is slightly smaller and ideal as a child's bedroom, nursery, or home office. This room also provides access to the bathroom via the hallway.

The rear garden has been thoughtfully updated, with a path running the full length of the garden, a new lawn, plants along the side, and a newly installed fence, creating a private and inviting outdoor space.
