Arranged over three floors, this spacious four-bedroom home offers generous proportions throughout and presents an exciting opportunity for buyers looking to modernise and add value.

To the rear, a dining area offers ample space for family meals or entertaining and leads through to the kitchen and conservatory. The kitchen is a well-proportioned and practical space, with ample counter top space, lower and upper cupboards, integrated dishwasher, hob and oven. The conservatory adds valuable additional reception space and convenient access to the rear garden.

Upstairs, the first floor features three well-proportioned bedrooms, two double and one single, including a particularly generous main bedroom with convenient built in storage. A family bathroom situated on this level equipped with a bath, WC and sink basin.

The second floor hosts a further bedroom and access to eaves storage, providing excellent additional space that could be cleverly utilised.

The garden is a good size and feels spacious with the generous lawn area. Outside the conservatory there is a paved patio area, providing a practical space for seating or outdoor use. A paved walkway runs through the garden, giving clear and easy access all the way to the rear of the garden.

While the property would benefit from updating and some refurbishment, it offers a solid footprint, flexible accommodation and excellent storage throughout. With its generous room sizes, abundance of natural light and versatile layout, this is a home full of potential, ready for a new owner to make it their own.

Situated on the fringes of High Brooms and Silverdale, this property enjoys a prime location with access to a wealth of local amenities. High Brooms is well served by local shops, cafés, pubs and essential services, complemented by nearby green spaces, excellent transport links and good local schools.
