Leisure

"Valkyrie" is a Princess 36 Riviera, with two double berths. However up to six people can be accommodated by converting the saloon space. Moored on a leisure mooring in the peaceful enclave of Chelsea Harbour, she makes a perfect pied a terre.

Valkyrie has a Bernard Olesinski designed modified deep V planing hull. She cruises very efficiently by planing at 22 knots, and achieves a maximum of 30 knots. She has twin Volvo Penta TAMD 61A engines, each generating 306 HP. Fitted with Furuno GPS, VHF radio and fully functional radar. If you're looking to combine a Central London bolt-hole with a cruising craft, this is an excellent choice.
