

RIVERHOMES

St Katharine Docks
Wapping E1W

£245,000
Leisure Mooring

St Katharine Docks Wapping E1W

There is the potential to run this vessel as an Airbnb business, or similar, as the current owners are now next in line to be issued with a rare commercial mooring licence which permits holiday / short lets. The mooring operators may consider issuing the commercial licence to the next owner when it becomes available. Naturally this is subject to approval by the SKD management team. RiverHomes is excited to present this exquisite new 60 ft. x 12.6 ft. widebeam barge for sale. Situated in a premium mooring spot at St Katharine Docks, this barge serves as an ideal Central London pied-à-terre. It features a spacious double bedroom with a king-sized bed, ample built-in storage, and

portholes that flood the room with natural light. There's also a sizeable bathroom equipped with a double shower. The large kitchen / living area is elegantly appointed with quartz countertops and ample cabinetry. The kitchen is fully fitted with a dishwasher, washing machine, and an oven / hob. Large windows throughout the barge ensure a bright and airy ambiance and are finished to an exceptionally high standard. Ingenious storage solutions are integrated boat, offering a sleek, minimalist aesthetic. The Directors hold an interest in this vessel.

KEY FEATURES

Potential to run as an Airbnb business

Brand new build vessel

Windows and portholes are double glazed

60 ft. x 12.6 ft. widebeam barge

A beautifully crafted large double bedroom

Ample storage

Interior finished to a very high standard
